What is the ABPMP?

- Founded in US in 2003, expanded Globally in 2010
- The **Association of Business Process Management Professionals** is a *non-profit, vendor independent* professional organization dedicated to the field of Business Process Management and is dedicated to maintaining the global standard for BPM practices and certification. ABPMP connects over 17,000+ individuals representing more than 750 corporations and 56 chapters worldwide.
- ABPMP is a practitioner-oriented and practitioner-led organization created and run by and for BPM professionals.

Our Vision

- ABPMP International will lead the development of BPM as a mainstream discipline
- ABPMP International will be the professional society for business process management professionals
- ABPMP International will be the recognized authority for certifying BPM practitioners
- ABPMP International will recognize, acknowledge and honor those who make outstanding contributions to our discipline
- ABPMP International will be the global center for the community of practice in Business Process Management

Our Mission

- The mission of ABPMP is:
 - to engage in activities that advance the practice of business process management,
 - to promote and evolve a Common Body of Knowledge in this field
 - to foster the development and advancement of the skills and competencies of the professionals who work in this discipline
 - to validate the professional qualifications and certify BPM practitioners

Our Core Emphasis

- Integrated Focus on Building Top Level Business Transformation Professionals
- BPM Competency Model
- BPM CBOOK Evolution (v2.0, 3.0, 4.0.....)
- 3 Levels of BPM Professional Certification
- Certification Overview Courses
- Continuing education – Webinars, Registered Training Provider education and courses, Partnerships with Universities, Affiliates, etc.
